

RECIPE FOR MAKING GLOOP

WHY?	WOW WORDS!
<ul style="list-style-type: none">• To make observations and talk about them• To promote motor skill development	Hands / fingers / sloppy / mix / stir / corn flour / add / feel / touch/ gloop / measure / pour / squeeze / patterns/ smooth / lumpy / press / soft / slippery / dissolve / cold / dripping / sticky / runny
WHAT?	
<p><u>RECIPE INSTRUCTIONS:</u></p> <p>You will need: Water, corn flour, food colouring, large washing up bowl (or equivalent), apron</p> <ol style="list-style-type: none">1. Put on an apron! Things could get messy!2. Mix the food colouring and the water together in the large bowl3. Add the food coloured water into the corn flour4. Mix all the ingredients together until it becomes a thick consistency5. Enjoy exploring the texture and properties of gloop with your hands6. Talk about how the gloop feels and how it behaves7. Your child may wish to lift their gloop-covered hands into the air and observe what happens. Also (to increase the mess!) your child may wish to make patterns with the gloop on the table or the ground outside. This will develop motor skills and involve some mark making experiences.
